

Glenna Jewell Meeks

November 29, 1932 - June 24, 2018

On November 29, 1932 a miracle happened. Glenna Jewell Blanton was born in Oklahoma City, Oklahoma. She is now known as Glenna "Nina" Meeks. She started her beautiful journey of memory making. She grew up not with a privileged life but love was in abundance to share. As a young adult she traveled across the United States with her sister, Bobby. She started her large family of seven children and took pride in teaching them how to be good, loving, responsible people. She grew with her children. In 1979 she moved her family to the beautiful community of Quincy, CA. This became their forever home. Her home was always booming with family and children's friends. She adored tending to all of them. She grew again as a grandmother, then great grandmother. Her life's motto was "we are making memories". As her children grew older she returned to school at Feather River College and received her Associate of Arts degree in 1984, the day after her oldest son graduated high school. Her children and grandchildren are very proud of her. She enjoyed camping, gold mining, gardening, fishing, gardening, crafts and anything outdoors. As an elderly woman she lived and took care of her older sister Bobby, in Quincy, CA. She loved her family, Church and Plumas County. She will always be remembered as Nina, Grandma, GG, and mom by many. She will be missed by all the people she touched with her loving heart and hands. She was the matriarch to her family; she was loved by all of Quincy. Glenna Meeks was called by God on June 24, 2018 at the age of 85. She is survived by 7 children, 18 grandchildren and 21 great grandchildren. She is in a better place and home is where your heart is, she is home.

“ This is sad. Glenna was a wonderful support emotionally when I was in troubled times. I think of her often. What happened? I live in Boise, Idaho and doing very well and have a wonderful life and working with people. I pray for the family with their loss. God bless you all.
