“ Our condolences go out to our cousins. We have just found out today of the passing of our beloved Aunt  
I have few memories of your beautiful family but of all, each one is deep in my heart amongst the very best and enjoyable.  
I remember, one summer way back, you guys came to Las Vegas,NM to visit . What I recall was my Mother ,Beatrice, was very happy to see her younger sister, it had to have been several years that they hadn't seen each other because all they talked about was when they were much younger.  
You two must have been preteens and Dave and I(Dan) were a few years older.
