“ We missed Wyatt in life. We did not get to see/talk to him because he was placed in conservatorship and moved to Red Bluff. Wyatt and his Maternal Family did not deserve being separated. It saddens me that Wyatt was away from Family and Friends and the communities where he grew up. Because of this we are having a hard time with closure...and the circumstance of his passing is not even in Wyatts character. He was a gentle soul. Wyatt is now with his Mom Carol and Sister Arli. These two, were his everything! Rest easy Green Eyes
